# ★ ★ ★ BULL MOOSE TRAIN HISTORY ★ ★ ★

There is a little bit of history in every town. New York has the Statue of Liberty; Philadelphia has the Liberty Bell; St. Louis has the famous arch; Paris has its celebrated Eiffel Tower. Here in Sandwich, our little bit of history is a rail car that sits on the corner of Main St. and US Route 34. This charming train car traces its unique journey into yesteryear. The rail car was number 4438 built by the Pullman Place Car Co. in 1893. It was a special new design for rail dining cars and thus was featured at the Columbian exposition.

At the time it was built, the car was affectionately named "ISABELLA". When visiting the rail car, you are taken back to a simpler time of railroad travel when the journey was more important than the destination. This train car, with its original leaded glass windows and mahogany woodwork, was one of the four cars on the "Pride Of The Burlington's Flyer" train.

This flyer train was so successful that it was commissioned by the U.S. to serve our 26th president - Theodore Roosevelt. The Isabella escorted President Roosevelt (best known as "Teddy") coast to coast from 1900 through 1913.

Upon campaigning for the 1912 presidential election, Teddy Roosevelt defected from the Republican Party and started the new Progressive Party. While on the campaign trail one day, giving a speech, Teddy was the victim of an assassination attempt. He was severely wounded by gunfire. Despite a bullet in his chest, he stood his ground and finished his speech. When asked later if he would finish his campaign, he responded: "I'm as fit as a Bull Moose." This statement is the origin for the nickname of his party and the name for the Bull Moose Bar and Grille!

As time went on, Isabella was retired and sold to Mr. Henry Tattersol at a government auction in California in 1931. It was sold for the wee sum of \$75! Henry had a vision of opening a diner using the train car. In 1934 the Isabella was moved to its present location in Sandwich, IL and opened as a small diner with its entrance on Route 34, just as Mr. Tattersol had dreamt.

In 1977 a full-service restaurant and bar were added to the diner increasing the ability to serve more guests. Over the years, the train car appearance was changed and the structure began to fall into disrepair. In 2010, a year long major renovation by Ron and Sue Saballus was undertaken to restore the Isabella and modernize the bar and dining room into the incredible restaurant that you can enjoy today!

In late 2022 The Saballus' retired and passed their legacy to the current owners John and Rich. Both John and Rich are honored to be a part of Isabella history and are happy and eager to provide delicious food and service to the community and all who enter. They strive to have Bull Moose Bar and Grille be an active member of the community and keep this little piece of history alive!
